# Happy Easter!

There was no BOD meeting for the month of March due to COVID 19. We will more then likely be having the meeting via teleconference for the month of April. We will post more information on the website and Facebook as soon as we get more details.

We apologize for the inconvenience the lobby being closed is for some. In an effort to comply with State & Federal Mandates related with COVID19 the lobby will remain closed until further notice. We will still continue to service our customers in every way possible otherwise.

We will be forgoing penalties and shut offs due to non-payment this month due to the "shelter-at-home" mandate.

We are all in this crisis and in it together! Everyone stay home, healthy and safe.

**Remember during this "shelter-at-home" time, Bonney's Burgers and PIBBS are still open for business. Of course both restaurants are call in and pick up only, you CANNOT go sit in the restaurant and eat. We as a community are blessed that they are up here and still able to provide us with delicious food. We hope everyone tries to patronize their establishments during this time to keep them in business!!!**
