~CLEAR CREEK CSD NEW WEB-SITE ~

If you haven't already done so, check out the new CCCSD web site recently put on-line. The new site offers easier navigation, customer service and feedback, resources and forms available on-line, recent news, updates and notices and the FAQ page with the most common frequently asked questions. This new web site also allows for customers to sign up for alerts via email and text so when an event occurs and requires immediate notification you can be notified via an email address or through your cell phone via a text.

Our customers can also access the real time weather station, the latest Happy Valley Farm Trail map, a convenient drip calculator and the current reservoir conditions throughout the State among other interesting links.

Soon to come you will have the availability to check your account status on-line and your historical water use by establishing an on-line account (at no charge) that will only require your book, account number and pin number to access this information. You can create your own pin or allow the system to generate a random number for you.

All data is 128 bit encrypted for security purposes and the data is only accessed by the use of off-site servers. Swing by, sign up for the alerts and browse the new site. When the account status becomes available, we will post that information as well. Have a Happy and Safe Holiday Season!

CIMIS

The California Irrigation Management Information System (CIMIS) is a program unit in the Water Use and Efficiency Branch, Division of Statewide Integrated Water Management, California Department of Water Resources (DWR) that manages a network of over 145 automated weather stations in California. CIMIS was developed in 1982 by DWR and the University of California, Davis (UC Davis). It was designed to assist irrigators in managing their water resources more efficiently. Efficient use of water resources benefits Californians by saving water, energy, and money. Visit the website @ www.cimis.water.ca.gov.

REMINDER

Clear Creek C.S.D. would like to remind customers to please call the District Office any time water service needs to be turned off or on inside the meter box. This will ensure that District valves will only be operated by District employees, thus protecting the customer from charges incurred if valves are broken or meters are damaged. A field staff member is on-call during the weekends and in the evenings. 530-357-2121

"Water Wisely Tips"

Report broken pipes and sprinklers on your property to your landlord for immediate repair and a lesser water bill. If you see any broken or leaking hydrants or pipes throughout the District, please give the office a call. Even if after hours! Thank you!

JOIN THE 2018 HAPPY VALLEY FARM TRAIL

Applications are being accepted for the 2018 Happy Valley Farm Trail. Cost is only \$30, which includes the handout of 2500 maps, your farm on Happy Valley's Farm Trail web site, pictures on our Facebook page and ten feet of our silver and green pennant. Maps are handed out at the Strawberry Festival and Shasta County Fair. They are also distributed throughout Redding, Anderson and Happy Valley and given to all of the Farm Trail customers. Our maps come out in January, so if you are interested please fill out the form below and **mail a check for \$30 to Happy Valley Farm Trail, 17720 Shawn Drive, Anderson, CA 96007** (please do not send this back to Clear Creek CSD Office).

For more information, please call Johanna @ 357-2416.
