### **Attention all Ag customers,**

It is time to fill out your annual crop reports. We understand that it seems like a waste of time, but we need to fill these out as if we received agricultural water to ensure our future needs for ag water in our community from the Bureau of Reclamation. We can only hope that things will turn around with our rainfall in future years.

### **Please note when filling out your report:**

List the number of acres to the best of your knowledge. Please do not put per tree and pay attention to the sections listed at the top of the form i.e., drip, flood, sprinkler, etc. on how you water your acreage.

### **A message from your Firewise Committee:**

Please fill out and turn in your Firewise Worksheet for any direct fire prevention work (hours) and/or expense (\$) you may have in 2022. If it is an expense, please attach receipt (s). You may pick up a form or turn in a form at Bonney Burgers on Palm Ave. This will help us obtain grants next year for fuel reduction and home hardening (for fire risk). We should be a recognized "Firewise Community" by next January.

Thank you,  
Firewise Committee

## Drought Restrictions & Penalties

**Please be aware that penalties are in place for water over usage.** You are allotted 75 % of your 2019 monthly usage **OR** 40 units / HCF whichever is **greater**. The first time you go over, it is a \$50.00 penalty. If you go over again, the penalties are as follows:

**\*1 unit / HCF = 748 gallons\***

|                    |                |
|--------------------|----------------|
| < 5 HCF            | \$50           |
| 5.1 - 10 HCF       | \$100          |
| 10.1 - 20 HCF      | \$400          |
| 20.1 - 50 HCF      | \$600          |
| 50.1 - 100 HCF     | \$800          |
| <b>&gt;100 HCF</b> | <b>\$1,500</b> |

## Meter Reading Dates

You can contact the office to get your meter reading but please give the staff a few days after the meter reading dates to get all reads downloaded and input into the software. You can also read your meter yourself in order to keep track of your usage. If you don't know how, contact the office and the staff will gladly explain or go onto the website, click on the Customer Service tab, select "Meter Reading" and "tips on meter reading".

**Here are some future  
meter reading dates:**

- November 14 - 17
- December 14 - 16
