A Message from Dale Mancino CCCSD General Manager

Hello Clear Creek CSD, I'm honored to be serving as your new General Manager. I've worked in the water industry for 18 years, starting as a distribution technician and working my way up through treatment and operations management. I grew up in a small town and value the sense of community that comes with it. Outside of work, I enjoy hiking and spending time outdoors with my wife and our two kids. I'm excited to bring my experience and passion to Clear Creek CSD and to work together with the community to ensure safe, reliable water service for years to come.
